- _____ 1 USB flash drive*
- _____ 1 emergency preparedness kit*
- _____ 1 pair non marking tennis shoes for PE*
- _____ PE uniform*

EMERGENCY PREPAREDNESS KIT – PreK – 8th Grade

Families are being asked to provide a kit of materials for each student to be used in case of an emergency. Containers should be watertight, stackable, clear, durable, and compact. The recommended container is a clear, Rubbermaid keeper (or other) around 4.5 quart size. (If everyone will use the same type of container, it will aid in storing them). It will need to be marked clearly inside and outside with the child's first and last name. Please mark the name on the outside on one long end and on one short end. Please check for expiration dates and purchase food that will last the ten months of storage.

Please include the following items, some may not be applicable for your student.

- Ready to eat canned meats, fruits, vegetables, juices, and soup (pop top lid preferred, avoid containers that are flimsy, i.e., Capri Sun)
- High-energy foods (i.e., peanut butter, jelly, crackers, nuts, health bars, trail mix, cheese & crackers). Please avoid freeze dried foods – water will be limited.
- “Comfort” foods (any item that is a favorite and may be consoling, please stay away from sugary and salty)
- 2 30-gallon garbage bags
- Soft pack tissues
- Disposable utensils
- Small package of towelettes
- Band aids
- Space blanket (available at Fred Meyer, Target, hunting/camping/fishing stores)
- 3 day supply of medicine
- Feminine hygiene supplies
- Family picture/letter
- Emergency form, which is attached (please note: no person will be allowed to pick up child if not listed. Positive ID required).
- Flashlight/batteries
